

## Annual General Meeting 15<sup>th</sup> April 2026

### AGM Calling Notice – all patients welcome

Date: Wednesday 15<sup>th</sup> April 2026  
Time: 17:00 to 18:30  
Location: Sawston Medical Centre, London Road, Sawston. CB22 3HU  
On-Line: There will be facilities for on-line attendance, please contact Vicki Collier ([victoria.collier1@nhs.net](mailto:victoria.collier1@nhs.net)) for log-on access details.

The Granta Patient Group<sup>1</sup> committee is elected on a two-year term, there are six committee posts open to election at this AGM. The 'call for nominations' and relevant information can be found on the Granta Medical Practices (GMP) website (Home/Patient Group). We welcome new committee members and their ideas.

We will have reports and update from both the GMP CEO Tim Harrison and also from the GMP GP Partner and Director of Strategy, Dr Reem Al-Shaikh.

We welcome any questions about the primary care services provided by Granta Medical Practices, and suggestions of aspects of those services that you would like Granta Patient Group to work with GMP to further improve.

#### Agenda

- 1) Welcome and introduction
- 2) Apologies
- 3) Minutes of the last General Meeting (29<sup>th</sup> January 2025 at Sawston)
- 4) Election of Granta Patient Group Committee members
- 5) Report of previous year
- 6) Current and planned Granta Patient Group projects.
- 7) Reports from GMP CEO Tim Harrison and Dr Reem Al-Shaikh
- 8) Questions and comments from members
- 9) Closing comments

*GMP patients are welcome to join the GPG. For further details please contact GPG Chair Dave Arnold ([davidjsarnold@gmail.com](mailto:davidjsarnold@gmail.com)) or Vicki Collier, GMP Head of Communications ([victoria.collier1@nhs.net](mailto:victoria.collier1@nhs.net)).*

(Issue1 14mar26)

---

<sup>1</sup> The group was initially formed in 2015 as a Patient Participation Group. It re-branded to 'Grant Patient Group' in February 2026 with a new logo and a straight forward name. The 2015 NHS GP Contract requires all GP services to have Patient Groups, and sets out the purpose of these groups, to work with the GP surgery to improve patient services that it provides.
